BIOGRAPHY

Nury Ponza, professionally known as **D:Mind**, has become an iconic figure in the underground electronic music scene since the 1990s. Her career is a testament to her deep passion and unwavering commitment to innovation within the genre. As the director of **Muy Malos Radio**, a renowned internet radio station, she played a pivotal role in promoting and evolving the Mexican electronic scene. The station became an authentic reference for fans of the genre.

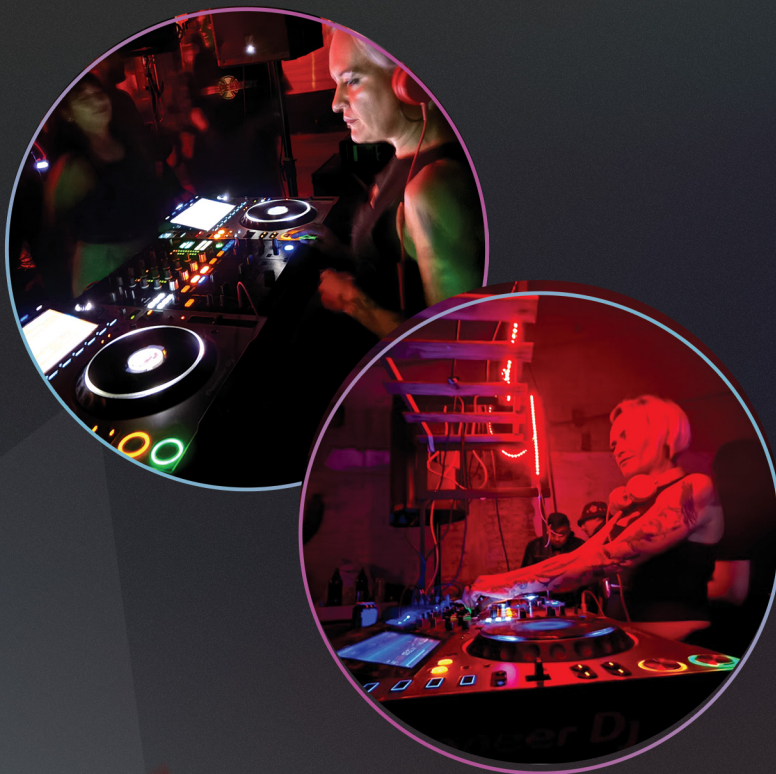

From 2013 to 2018, Nury directed and presented "Vanguardia Underground" a radio show dedicated to exploring the most avant-garde and emerging sounds of the electronic scene. Through this platform, she championed renowned, New and independent artists as well experimental projects, significantly contributing to the development and promotion of underground electronic music in Mexico.

In 2023, Nury Ponza embarked on a new musical endeavor by launching her career as a DJ under the moniker **D:Mind**. With a distinctive style that seamlessly blends dark rhythms and hypnotic cadences of techno, D:Mind demonstrates her profound comprehension of the genre. Each performance constitutes a captivating journey that harmonizes the legacy of the 1990s with contemporary energy, thereby honoring its underground origins. Presently, D:Mind has fully cultivated her unique identity, crafting a personal, hypnotic, and visceral sound that captivates her audience.

D:Mind continues to be driven by her passion for music, performing in clubs, parties, and festivals. Simultaneously, she balances her DJ career with her role as a booking manager at **Katarzis Lab Mexico** and as a member of the **Under Session's** crew. Additionally, she collaborates on her alternative project, **Dual Ritual**, with her friend and talented partner in crime **DJ Anna Jac**.

Throughout her career, she has shared the stage with international music icons like **Christian Smith, Joey Beltram, D-Unity, Magda, and Ex-Gen**, as well as with renowned Mexican artists such as **DJ Klang, Chrysler, Alex Young, Mar-t 9000, Sintoma, Acid Flux**, and many others.

Her career is a testament to her resilience, evolution, and unwavering passion for electronic music.
